

Welcome

Master programmes

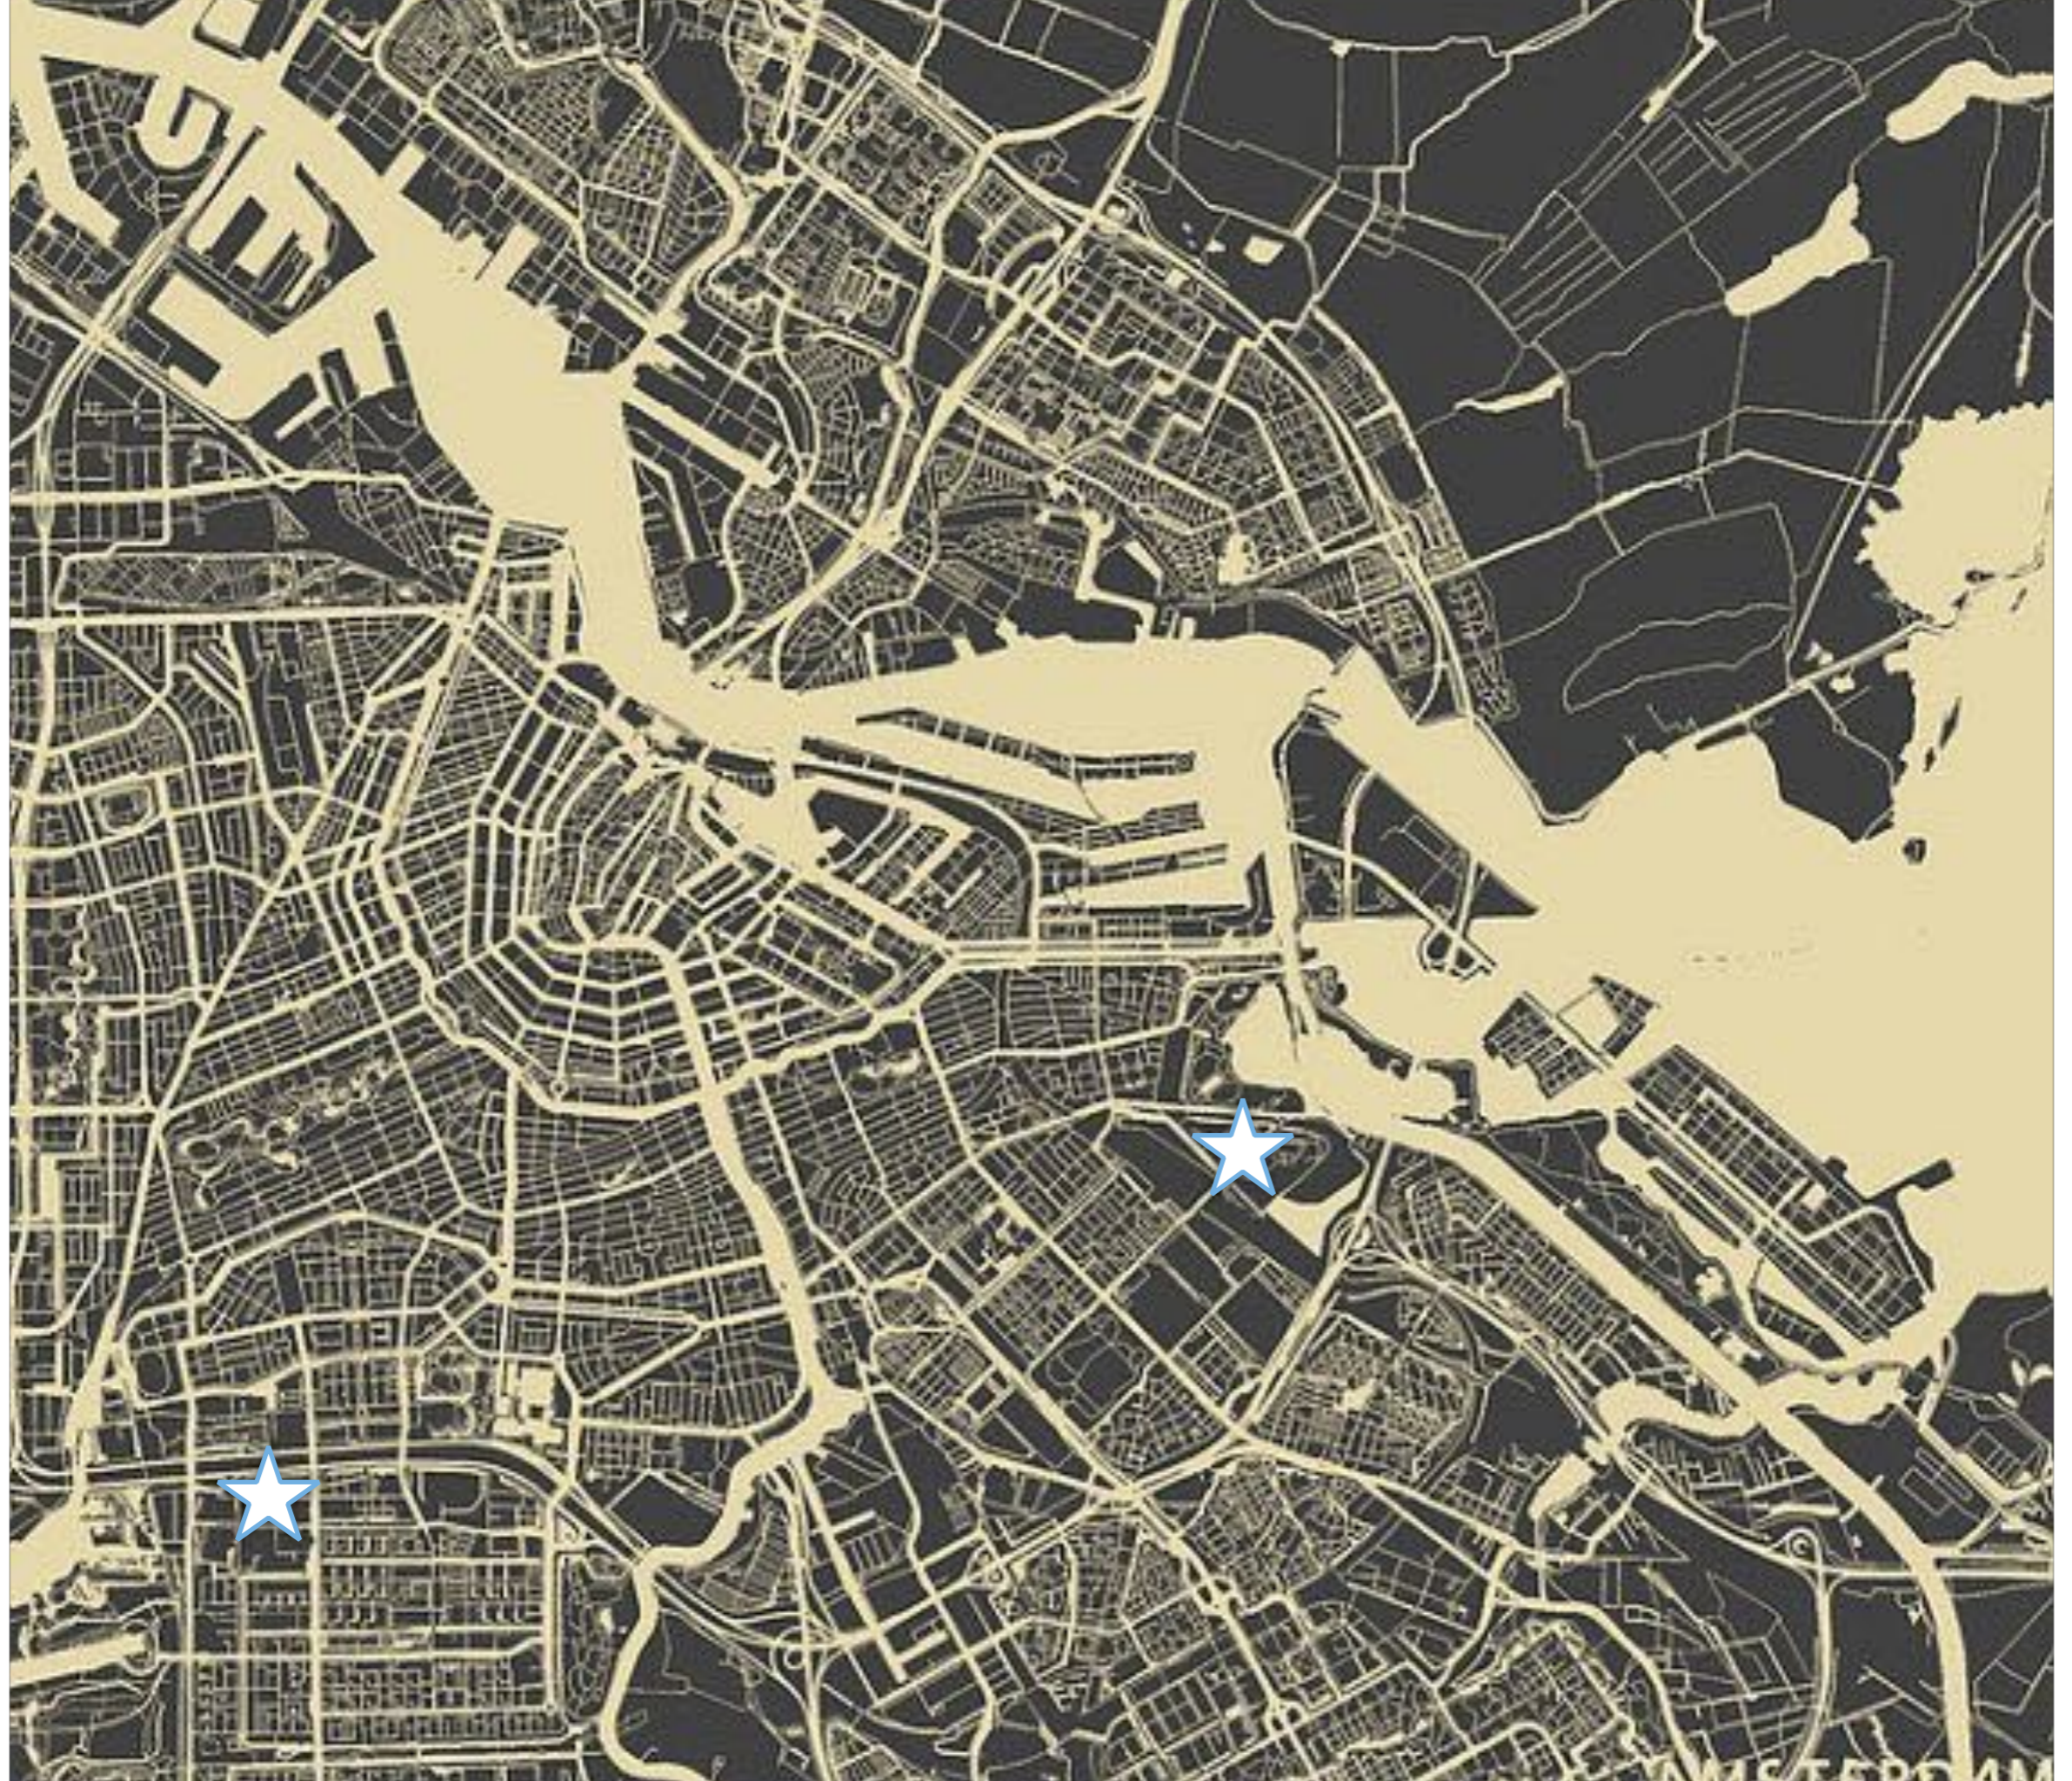

Mathematics

Stochastics & Financial Mathematics

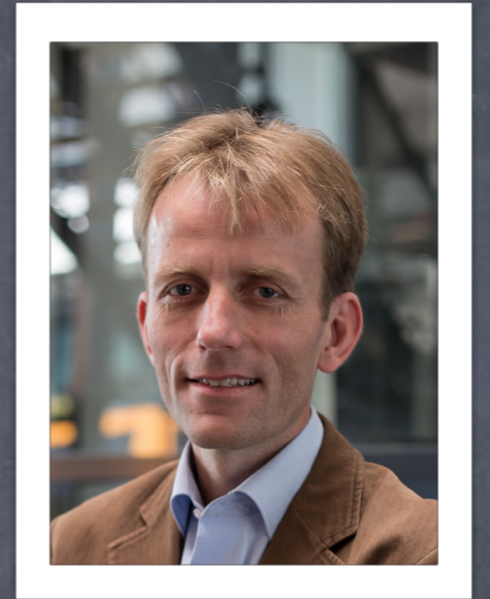

UNIVERSITY OF AMSTERDAM
vrije Universiteit amsterdam

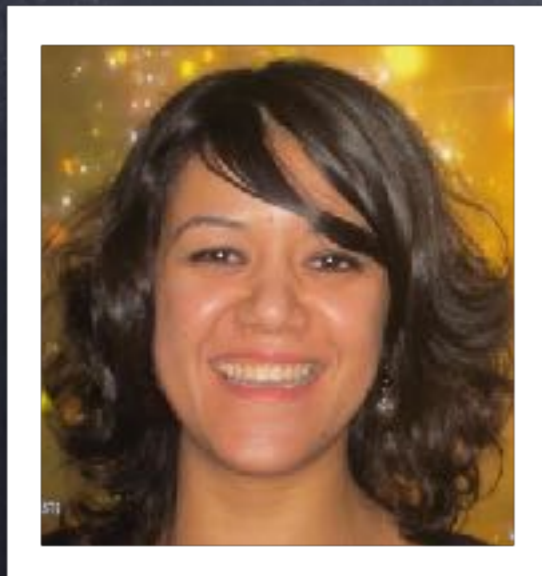

@UvA

Jasper Stokman
programme director

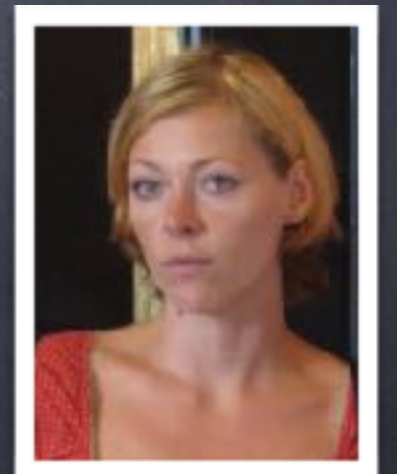

Hessel Posthuma
coordinator Math

Ambi Oosterhout
(sept-dec '18: Marije Kaan)
study adviser

Asma Khedher
coordinator SFM

@VU

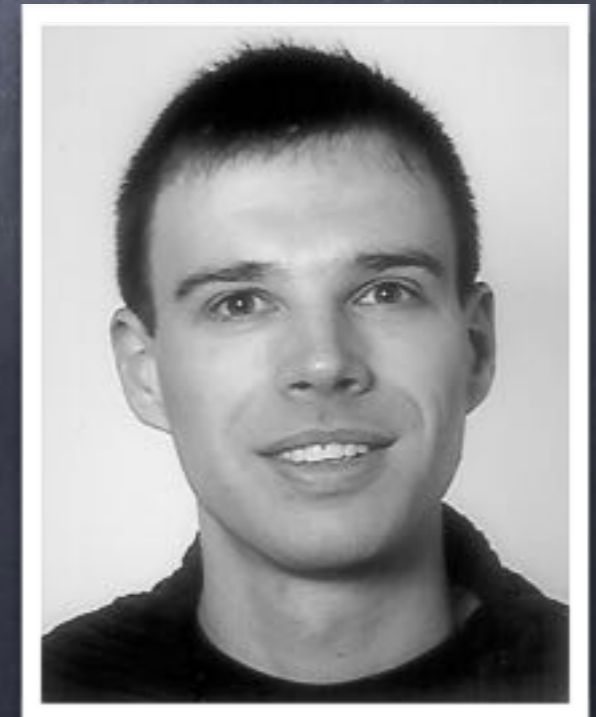

André Ran
programme director

Corrie Quant
study adviser &
Coordinator Math

Wouter Kager
Coordinator SFM

Math programme

Fall

Spring

Year 1	Master Seminar Basic courses	Master Seminar Basic & advanced courses
Year 2	Advanced courses	Master Project

Master Seminar (6EC Math): see later slide

Basic & advanced courses: UvA, VU and Mastermath, with constraints depending on specialization direction (TER and minimanual)

Master Project (36EC): research project & thesis

Math Programme

UvA-VU specialization directions

- Algebra & geometry
- Analysis & dynamical systems
- Stochastics

and in addition:

@UvA: Mathematical Physics,

Double master programme Math. & Theor. Phys.,
majors & minors (TESLA, teaching,...).

@VU: Biomedical mathematics, Education track &
teaching tracks.

Master Seminar

Lectures by students, staff, alumni, potential employers... Each specialization direction has its own seminar:

- * Algebra, Geometry and Mathematical Physics
- * Analysis & Dynamical Systems
- * Stochastics

First meeting

(F3.20, Science Park 107, KdVI, UvA).

- * A,G & MP: Fri Sept 7, 10:00
- * A & DS: Mon Sept 3, 14:00
- * Stoch: Fri Sept 7, 12:00

SFM programme

Same global programme structure, but

- * No specialization directions.
- * Seminar Stochastic & Financial Math only in first semester of year 1. First meeting: Mon Sept. 3, 11:00 (F3.20, Science Park 107, KdVI, UvA).

Courses

Courses offered by UvA, VU and Mastermath.

Deadlines course registration fall semester

Local courses: Sept 3 (UvA), Sept 10 (VU).

Mastermath courses: Oct 1.

@UvA: register via [datanose](#)

Other semesters: via [electronic study guide](#)

@VU: register via [vunet](#)

@Mastermath: register via [mastermath](#) (make account!)

the "Mini Manual"

List of courses per programme and specialization, with suggested thematic lines.

Mathematical Masters Mini Manual 2018/19

Luuk Stehouwer, Jasper Stokman

Version July 18, 2018

About this document	2
MSc Mathematics: specialization Algebra and Geometry	3
MSc Mathematics: specialization Analysis and Dynamical Systems	6
MSc Mathematics: specialization Mathematical Physics	9
MSc Mathematics: specialization Stochastics	12
MSc Stochastics and Financial Mathematics	15
Double Master Programmes	18
Major and minor programmes	21
MSc Mathematical Physics (old style)	24
Appendix: Elective Courses in Mathematics	26

@UvA: [CANVAS](#) pages 'master Math/SFM', or [master Math website](#) and [master SFM website](#).

@VU: [CANVAS](#) page 'Math and SFM'.

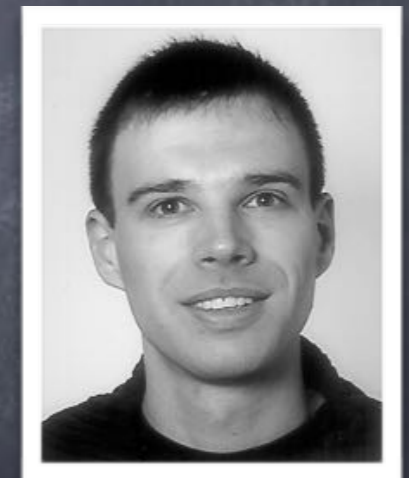

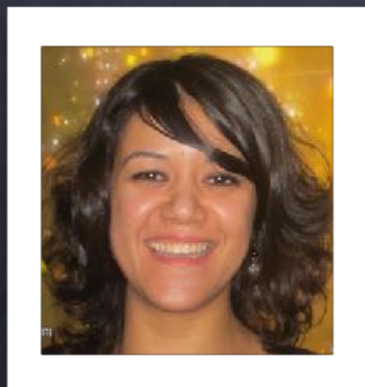

Compiling your programme

Choosing specialization direction and courses

Use **TER** and **minimanual**

Talk to Programme coordinator

@UvA: Hessel (Math),
Asma (SFM)

@VU: Corrie (Math),
Wouter (SFM)

More information...

Course & programme information:

- UvA: www.coursecatalogue.uva.nl
- VU: www.vu.nl/en/study-guide/
- Mastermath: elo.mastermath.nl

Schedules:

- UvA: www.datanose.nl
- VU: rooster.vu.nl

TER, minimanual, further information:

[UvA CANVAS](#) and [VU CANVAS](#) pages.

What's next?

Make an appointment with your coordinator!

@UvA: Hessel (h.b.posthuma@uva.nl) Math,

Asma (a.khedher@uva.nl) SFM

@VU: Corrie Quant (c.m.quant@vu.nl) Math,

Wouter Kager (w.kager@vu.nl) SFM

Sept 3: start of UvA/VU classes

Sept 10: start of Mastermath classes

Sept 14: master BBQ @UvA campus

What's next today?

- * 12:50–13:05 Introduction of study advisors
- * 13:05–13:15 Info Student associations
- * 13:15–13:45 Lunch in the Central Hall
- * 13:45–14:15 Programme coordinator meeting
(Math: D1.111, SFM: D1.112).
- * 14:15– Site visit KdVI and drinks.

Good luck with your master programme!
