The diagram shows the runtime in nanoseconds (ns) for different graph traversal operations. The x-axis represents the runtime, and the y-axis shows the operations.

- **Runtime (ns)**
- **Edge List**
- **Reverse Edge List**
- **Vertex Pull**
- **Vertex Push**
- **Vertex Push Warp**

Legend:
- Red: Edge List
- Cyan: Vertex Pull
- Blue: Vertex Push
- Green: Vertex Push Warp
- Brown: Reverse Edge List
