

Education and employment.

- 2011 – , professor, Univ. of Amsterdam;
- 2008 – 2011, associate professor, Univ. of Amsterdam;
- 2006 – 2008, senior assistant, Univ. of Zurich;
- 2004 – 2006, postdoc, Stockholm Univ.
- PhD: Stockholm Univ., 2004;
- MSc: Independent Univ. of Moscow, 2002.

Summary of research / teaching / administration / service in the past 20 years.

- talent program grants of the Dutch Research Council: vidi, 2008 – 2014; vici, 2013 – 2019;
- ± 20 smaller grants, most recent: top-1, 2018 – 2023; open competition, 2023 – 2026;
- ± 100 research papers, 1 book; ± 50 co-authors; ± 10 PhD students;
- numerous research visits and conference and seminar talks;
- ± 15 colloquium talks; 3 research level mini-courses;
- award of the Moscow Mathematical Society for young mathematicians, 2007;
- prize of the University Society of Stockholm for the most eminent thesis, 2005;
- co-organized 3 big conferences and ± 10 smaller scale workshops;
- co-organized ± 10 meetings of the Geometry and Quantum Theory cluster and a master class;
- numerous referee reports / reference letters / reviews / expert opinions;
- ± 40 PhD thesis defense committees;
- ± 10 promotion and appointment committees and grant panels;
- board member of the Geometry and Quantum Theory cluster 2011 – 2014;
- member of the research council of Platform Wiskunde Nederland, 2014 – 2015;
- ± 2 courses per year (bachelor and master level, incl. service teaching, nl/en);
- (co-)supervised ± 15 master projects, numerous bachelor and 2nd year projects;
- (co-)organized research seminar on algebra, geometry, and math. physics since 2013;
- organized mathematics club for high school students in 2017 – 2018;
- coordinator of the master program in mathematical physics in 2009 – 2019;
- ± 5 times involved in preparation of research and teaching evaluations;
- member of the management team of the Korteweg-de Vries Institute, since 2015.
